Retail Supervisor – NQF Level 4

SAQA ID: 99573 | Credits: 100 | Duration: 12-month | QCTO Learnership

1. Course Overview

The **Occupational Certificate: Retail Supervisor** equips learners with the knowledge, skills, and practical experience required to function effectively as retail supervisors.

Retail Supervisors play a critical role in managing and coordinating the work of teams, maintaining operational standards, and ensuring customer service excellence in wholesale and retail environments. This qualification addresses the sector's need for competent supervisors who can lead teams, minimise losses, and support organisational success. It is particularly suited for individuals already employed in retail or wholesale, providing progression opportunities into supervisory roles.

2. Learning Outcomes

On completion of this programme, learners will be able to:

- Plan and delegate tasks to team members to ensure completion within set timeframes.
- Monitor and improve work performance, service standards, and loss control.
- Analyse and resolve customer complaints in line with organisational policies, promoting customer loyalty.

3. A Qualified Learner Will Be Able To:

- Supervise and coordinate retail or wholesale staff.
- Implement and maintain retail or wholesale operations.
- Identify performance gaps and apply corrective measures.
- Enhance customer service standards.
- Resolve customer complaints and queries in ways that encourage repeat business and loyalty.

Entry Requirements

- A National Senior Certificate or equivalent at **NQF Level 4**, including Mathematical Literacy and Communication.
- Recognition of Prior Learning (RPL) is available for experienced candidates who meet the access requirements.

4. International Comparability

This qualification compares favorably with the Team Leading Level 2 NVQ Certificate offered by the Oxford Cambridge Examinations Board in the United Kingdom.

Both qualifications focus on developing supervisory and leadership skills for employees entering management roles in retail or wholesale settings. They share an emphasis on planning, allocating, and monitoring work, encouraging innovation, and supporting customer-focused service delivery.

5. Occupational Trainer – NQF Level 4 Certification

- Occupational Certificate aligned to **NQF Level 4** under the **Occupational Qualifications Sub-Framework (OQSF)**.
- External Integrated Summative Assessment conducted by a QCTO Assessment Quality Partner is required for certification.

6. Potential Career Opportunities

Graduates of this programme can pursue supervisory or junior management roles across retail and wholesale operations, such as:

- Retail Supervisor
- Department Supervisor
- Customer Service Supervisor
- Sales Floor Supervisor
- Stock or Inventory Supervisor
- Team Leader in Wholesale/Retail Environments
