Strategic Management – NQF Level 5

SAQA ID: 96101 | Credits: 162 | Duration: 12-month | QCTO Learnership

1. Course Overview

Strategic management is the process of formulating, implementing, and evaluating strategies that enable an organisation to achieve its objectives. It involves analysing the internal and external environment, leveraging organisational strengths, and addressing weaknesses to improve long-term performance.

This qualification equips learners with the essential skills to lead teams, manage performance, implement operational strategies, and apply principles of financial, risk, and knowledge management. It is designed for managers who are responsible for other junior managers or team leaders, or for those managing staff and supervisors within a division, section, or business unit.

2. Learning Outcomes

On completion of this programme, learners will be able to:

- Apply the principles of strategic, operational, and project management to achieve organisational goals.
- Monitor, measure, and improve performance through continuous and innovative improvement interventions.
- Lead and manage teams effectively, leveraging diversity and promoting synergistic collaboration.
- Build and maintain effective workplace relationships through sound communication techniques.
- Apply principles of ethics, financial management, risk management, and knowledge management to ensure sustainability and compliance.
- Promote a learning culture within organisations, supporting career development and transformation.

3. A Qualified Learner Will Be Able To:

- Initiate, implement, and evaluate strategies, projects, and operational plans.
- Lead first-line managers and enhance team effectiveness to achieve organisational goals.
- Apply risk and financial management principles in line with organisational frameworks.
- Monitor and evaluate performance to ensure customer satisfaction and organisational success.
- Develop talent, coach team members, and foster career growth within a diverse workforce.
- Strengthen organisational culture through ethical leadership, knowledge sharing, and effective communication.
